CONSTRUCTION PRODUCT SHORTLIST

Products that make a tradie's or builder's day easier, or that people need to build and fix houses. Every one is advertising right now on Facebook and Instagram in the US, with ads rated 4 to 5 stars, from brands running 100 to 400 active ads. Tap any card to watch the ad or open the product page.

NOT YET CHECKED
Fresh lead. Australian shelves and margins still to check.

MAYBE
Passed some checks. Has a catch, noted on the card.

REFERENCE
Shown for comparison, such as ratchet straps.

SKIP
Already cheap in Australia or blocked. Reason on the card.

01 LOADS, UTE & TRAILER

5 products

NOT YET CHECKED

COOZY LAND

WINDPROOF TARP CLIPS

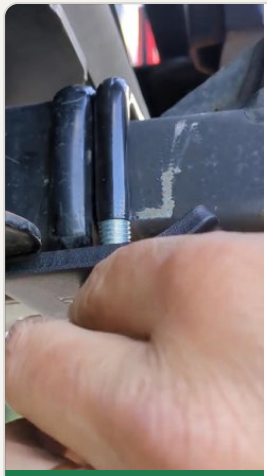

194 days running

FIXES

Tarps rip at the eyelets or don't have one where you need it. These clips bite onto the tarp anywhere and hold in wind.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

ESASKE

ANTI-RATTLE HITCH TIGHTENER

100 days running

FIXES

A loose tow hitch clunks and rattles every time you brake or hit a bump. This U-bolt clamp locks the hitch tight.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

PARKIT360

ELECTRIC TRAILER DOLLY

30 days running

FIXES

Moving a trailer or boat by hand into a tight spot is heavy and awkward. A powered dolly does it with a remote.

> Big-ticket item; heavier to ship.

WATCH THE AD

PRODUCT PAGE

REFERENCE

RHINO USA

RETRACTABLE RATCHET STRAPS

131 days running

FIXES

Normal ratchet straps tangle, flap in the wind and take ages to roll up. These retract into the ratchet like a seatbelt.

> Your mate's product. A US brand running the same idea, shown here for reference.

WATCH THE AD

PRODUCT PAGE

SKIP

TACKFORM

UTE DASH PHONE/TABLET MOUNT

111 days running

FIXES

Phones and tablets slide around the dash on site. These bolt-in mounts are made for specific utes.

> AU checked for their UHF mic mount: Uniden/GME already sell their own at Supercheap and Repco.

WATCH THE AD

02 CONCRETE, SITE & MACHINERY

9 products

NOT YET CHECKED

MUDMIXER

CONCRETE FORMEXTENDERS

46 days running

FIXES

When formwork has a gap, you normally cut new form boards. These clip on and close the gap, saving time and timber on every pour.

> Trade-only product, strong fit for concreters.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

COPENRAIN

CONCRETE STEP REPAIR ADHESIVE

26 days running

FIXES

Chipped and broken concrete steps look bad and are a trip hazard. A repair compound rebuilds the edge without new concrete.

> General dropship store. Check chemical shipping rules.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

ACE CUTTING EQUIPMENT

CONCRETE CHAINSAW (ICS)

258 days running

FIXES

Cutting square openings in concrete walls with a round saw blade over-cuts the corners. A concrete chainsaw cuts clean square corners.

> Expensive pro machinery from a big-brand dealer. Better as a supplier lead than a product.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

LINK MASTERS

BOULDER BUDDY ROCK LIFTER

81 days running

FIXES

Landscapers and pond builders move big rocks by hand or with a bar. This attachment grabs and lifts boulders.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

GARVEE

CLAMP-ON PALLET FORKS

395 days running

FIXES

Tractors and loaders without forks can't move pallets of materials. These clamp onto the bucket in minutes.

> Heavy steel freight.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

BLING FURNITURE SHOP

EXCAVATOR SPLIT BUSHING SHIMS

208 days running

FIXES

Worn excavator pins and bushings give a sloppy bucket. Split shims take up the slack without pulling the arm apart.

> Ad has run 208 days.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

THE PERFECT TREE SAW

SKID STEER TREE SAW

60 days running

FIXES

Clearing trees and scrub on a block by hand or chainsaw is slow and dangerous. A skid steer attachment cuts trees at ground level.

> Machinery attachment, high ticket.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

LOCKNLUBE

BATTERY FLUID TRANSFER PUMP

117 days running

FIXES

Pouring diesel, oil or fluid from drums into machinery is messy and wasteful. A cordless pump moves it clean.

> Same brand already sells in AU for its grease coupler.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

WR PERFORMANCE PRODUCTS

TOUCHLESS HEAVY MACHINERY WASH

187 days running

FIXES

Pressure-washing caked mud and grease off machinery takes hours and damages seals. A touchless wash does it with a rinse.

> Consumable, so owners rebuy. Ad has run 187 days. Chemical shipping check needed.

WATCH THE AD

PRODUCT PAGE

03 FENCING & OUTDOOR BUILD

3 products

NOT YET CHECKED

CATALYST FENCE

ROT-PROOF STEEL FENCE POSTS

101 days running

FIXES

Timber fence posts rot, lean and need replacing. Steel posts that look like timber don't.

> Heavy freight; check AU steel post suppliers.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

PETRA TOOLS

PUMP-FREE BATTERY SPRAYER

97 days running

FIXES

Hand-pump sprayers need constant pumping for weeds, sealant or stain. A battery sprayer keeps pressure on its own.

> Ad has run 97 days.

WATCH THE AD

PRODUCT PAGE

REFERENCE

POSTA

POSTA SOLO POST-SETTING TOOL

104 days running

FIXES

Setting fence and deck posts plumb normally needs two people, one holding and one checking level. POSTA braces and levels the post so one person can do it.

> Australian brand (also sold at Mitre 10), now scaling in the US. Proof that an Aussie tradie tool can sell overseas, but the post-setter itself is taken.

WATCH THE AD

PRODUCT PAGE

04 TOOLS & TOOL BELTS

9 products

NOT YET CHECKED

MARTINEZ TOOL CO

SHOCK-ABSORBING FRAMING HAMMERS

41 days running

FIXES

All-day hammering wrecks elbows and wrists. These hammers soak up the shock.

> Premium, made in the USA.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

OCCIDENTAL LEATHER

PRO FRAMER TOOL BELT

45 days running

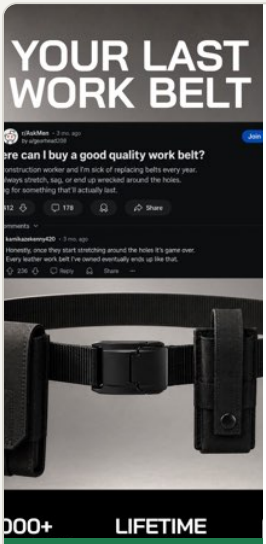

FIXES

Cheap tool belts sag, tear and dig in. This is a premium framing rig that lasts years.

> Premium, made in the USA. Has an AU stockist history; check.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

HOLSTA

HOLSTA ADJUSTABLE TOOL BELT

41 days running

FIXES

A heavy tool belt drags your work pants down all day. This belt adjusts with no holes and stays put.

> European brand, already advertising in several countries.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

SPETOOL

90° PRECISION TRACK SAW GUIDE

242 days running

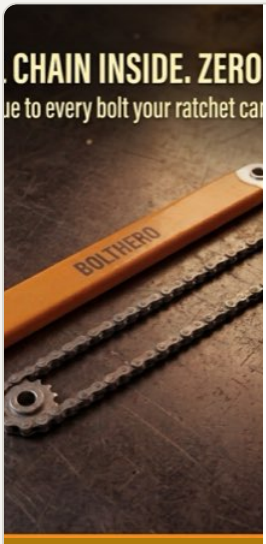

FIXES

Circular saw cuts that are almost square ruin sheet goods. A track guide gives dead-straight, square cuts.

> Ad has run 242 days. SpeTool already sells on Amazon AU.

WATCH THE AD

PRODUCT PAGE

MAYBE

BOLTHERO

CHAIN-DRIVEN OFFSET EXTENSION

134 days running

FIXES

Bolts tucked behind parts where a socket won't fit. The chain drive reaches through a 16mm gap.

> Scored 67/100, but US traffic is down 34%, so the product may be fading.

WATCH THE AD

PRODUCT PAGE

SKIP

PIPE VISE

GRIPPING TOOL ROLL AND MICRO WRENCH

75 days running

FIXES

Gripping tools get scattered across the ute. The roll keeps the set together; the micro stubby wrench reaches tight spots.

> Small traffic (about 6K visits a month); already ships to AU.

WATCH THE AD

PRODUCT PAGE

SKIP

OLSA TOOLS

MAGNETIC TOOL HOLDERS

40 days running

FIXES

Tools roll off the bench and get lost. Silicone magnetic strips hold them in place.

> Socket rails scored 41/100 (Bunnings sells Kincrome rails at about A$18).

WATCH THE AD

PRODUCT PAGE

SKIP

TOOLBOX WIDGET

MODULAR TOOL ORGANISERS

96 days running

FIXES

Sockets and spanners get mixed up in the drawer, so you can't see what's missing.

> Scored 3/10: already has an AU store, US patents, Bunnings has a lookalike at A$17.98.

WATCH THE AD

PRODUCT PAGE

SKIP

EZARC

COATED STEP DRILL BITS

94 days running

FIXES

Big-box step bits blunt fast and cost a lot. Their ad pitch: pro-grade bits for less.

> Scored 4/10: Bunnings has Craftright from A$14.98. Their pruning saw blades scored 62/100.

WATCH THE AD

PRODUCT PAGE

05 MEASURING & MARKING

7 products

NOT YET CHECKED

ANEEDPICKS

PRECISION OIL-BASED MARKER (PRECISQ)

28 days running

FIXES

Normal markers dry out, can't reach into drilled holes and won't mark rough or oily surfaces.

> Consumable, so tradies rebuy. A second seller (Ypzvx) runs the same product.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

YPZVX

PRECISION-TIP QUICK-DRY MARKER

38 days running

FIXES

Same problem as above: markers that dry out or won't write on site materials.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

JAMMYPICK

MULTI-SIZE MARKING SCRIBER

39 days running

FIXES

Marking consistent offsets and lines on timber by eye wastes material. A scriber marks exact distances every time.

> Measure twice, cut once.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

REEKON TOOLS

REEKON T1R HYBRID MEASURING TOOL

25 days running

FIXES

Measuring long runs alone with a tape is awkward. This combines a rolling measure, laser and tape.

> Pre-order product, premium.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

MOASURE

MOASURE 2 PRO AREA MEASURER

67 days running

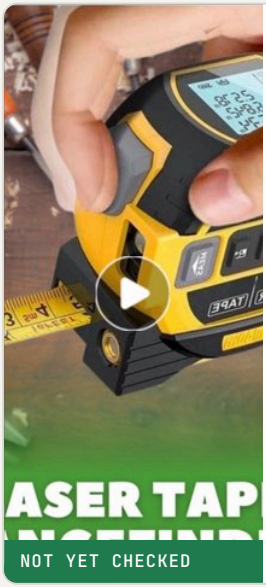

FIXES

Measuring irregular yards, slabs and decks for quotes takes two people and maths. You walk the shape and it gives area and perimeter.

> UK brand, probably already sold in AU; check.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

THE ALMIGHTY TOOLS

LASER TAPE MEASURE RULER

40 days running

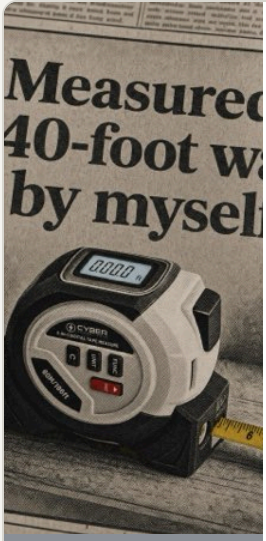

FIXES

Measuring alone over distance. Laser plus tape in one.

> Similar to MeasurePro, which failed; probably the same problem.

WATCH THE AD

PRODUCT PAGE

SKIP

CYBER POWER TOOLS

MEASUREPRO TAPE, LASER AND LEVEL IN ONE

53 days running

FIXES

Three tools in the bag and one is always missing. This combines tape, laser measure and cross-line level.

> Scored 4/10: generic white label already sold by AU online stores and on eBay from A$16.

PRODUCT PAGE

06 ELECTRICAL & PLUMBING

4 products

NOT YET CHECKED

STRIPMEISTER

AUTOMATIC WIRE STRIPPER

177 days running

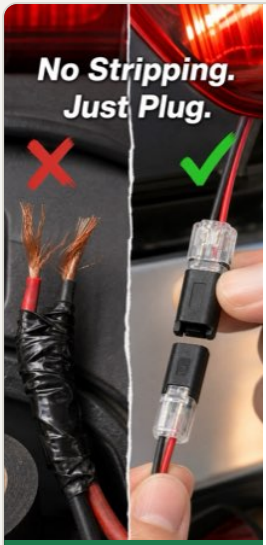

FIXES

Stripping copper cable by hand for scrap or rewiring is slow and wrecks hands. This machine strips it automatically.

> Electricians and scrap recyclers. Ad has run 177 days.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

CHICLIFY

TOOL-FREE LED STRIP AND WIRE CONNECTORS

85 days running

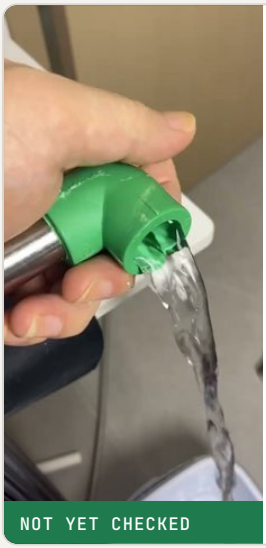

FIXES

Joining LED strips and low-voltage wire means soldering. These snap-lock connectors join them in seconds.

> Cheap consumable; general dropship store.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

XYLVOK

DIY PIPE THREADING TOOL

47 days running

FIXES

Threading pipe normally needs a plumber's threading kit. This drill-driven threader does it on site.

> General store, ad has run 47 days; check AU (BSP) thread compatibility.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

MROREA

CONDUIT BENDER

40 days running

FIXES

Bending electrical conduit by hand gives kinked, uneven bends. A bender makes clean, accurate bends first time.

> Running mostly in Europe. Check AU conduit sizes (20mm, 25mm).

WATCH THE AD

PRODUCT PAGE

07 WELDING & METAL

5 products

NOT YET CHECKED

PIPELINERS CLOUD

WELDING GEAR AND HOODS

136 days running

FIXES

Cheap welding hoods and gear are hot, heavy and break. This is pro welding gear with a big following.

> 4.9 stars, 6,000+ reviews. Established US brand.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

WOAHBROS

CUSTOM WELDING HOODS

39 days running

FIXES

Welders want a hood that's light, tough and looks good.

> Ad has run 39 days.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

BLING FURNITURE SHOP

METAL REPAIR GLUE (COLD WELD)

450 days running

FIXES

Fixing cracked metal, pipes or tanks without a welder.

> Ad has run 450 days. Chemical; check shipping rules. Bunnings sells JB Weld.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

ACMER

LASER RUST CLEANER

31 days running

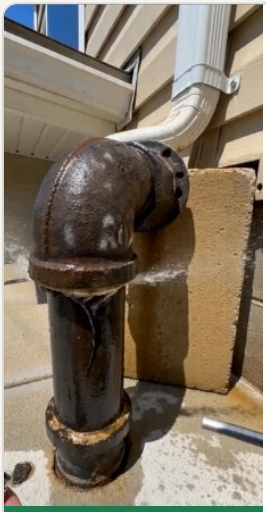

FIXES

Grinding and sandblasting rust is slow and messy. A laser strips rust and paint off metal in seconds.

> Big-ticket machine; laser safety rules apply in AU.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

SOWHATBUY

LOW-TEMPERATURE METAL REPAIR RODS

71 days running

FIXES

Fixing a broken metal part normally needs a welder. These rods melt with a gas torch to bond metal.

> China dropship store; quality claims unverified. Ad has run 71 days.

WATCH THE AD

PRODUCT PAGE

08 DOORS, CABINETS & FINISHING

6 products

NOT YET CHECKED

FIVALO

CABINET DOOR HANGING JIG

283 days running

FIXES

Hanging and aligning cabinet doors is a two-person job, and doors end up uneven. The jig holds the door in position so one person can hang it straight.

> Ad has run 282 days, mostly in Europe. Fivalo ships from overseas (9-day delivery to AU).

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

SHKJENS

SOLO DOOR HANGING TOOL

45 days running

FIXES

Hanging a heavy door means one person lifting and one screwing the hinges. This lifts and aligns the door so one person can hang it.

> Running in Spain, France and Ireland, not the US.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

MFBOUTIQUE STORE

DOOR LOCK INSTALLATION KIT

160 days running

FIXES

Fitting a new door handle or lock means drilling two holes that line up perfectly. Get it wrong and the latch won't catch.

> Ad has run 159 days. Check AU lock bore sizes.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

CARTIVRA

CONTOUR GAUGE WITH LOCK

81 days running

FIXES

Cutting flooring, tiles or trim around door frames and wavy walls means guessing the shape. The gauge copies the exact profile to trace.

> Cheap general store. Bunnings sells basic contour gauges; check the locking version.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

GOTYSLES

SELF-ADHESIVE FLOOR TRANSITION STRIP

90 days running

FIXES

Gaps and height changes between floor types look rough and catch toes. A peel-and-stick strip covers the join.

> Ad has run 89 days. Cheap; Bunnings sells transition strips.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

FIORVAX

DIAMOND HOLE SAW FOR TILE AND GLASS

70 days running

FIXES

Drilling holes in tiles for taps and pipes cracks the tile. A diamond hole saw cuts clean holes.

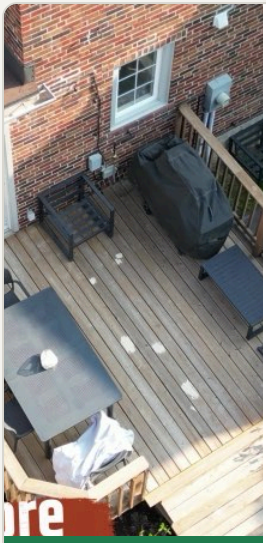

> Ad has run 69 days. Bunnings sells diamond hole saws; check price gap.

WATCH THE AD

PRODUCT PAGE

09 BUILD & REPAIR MATERIALS

10 products

NOT YET CHECKED

LIQUID RUBBER

LIQUID RUBBER DECK AND ROOF SEALANT

936 days running

FIXES

Leaking decks, balconies and roofs need resealing. Liquid rubber coats and waterproofs them.

> Ad has run 936 days. Liquid product, so check dangerous goods and freight.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

EXTEND-A-REACH

DECK STAIN BRUSH POLE

45 days running

FIXES

Staining a deck on your knees wrecks your back. A long brush pole lets you do it standing.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

TIMBERTECH

COMPOSITE DECKING

156 days running

FIXES

Timber decks need sanding and oiling every year. Composite decking doesn't.

> Big established brand, sold through dealers. Not a white-label play.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

GHOST CONTROLS

SOLAR AUTOMATIC GATE OPENER

108 days running

FIXES

Getting out of the ute to open the gate every time. A solar opener does it from a remote.

> Rural and acreage buyers. Check AU electrical compliance.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

FOCOOR

CONCRETE CRACK FILLER SEALANT

64 days running

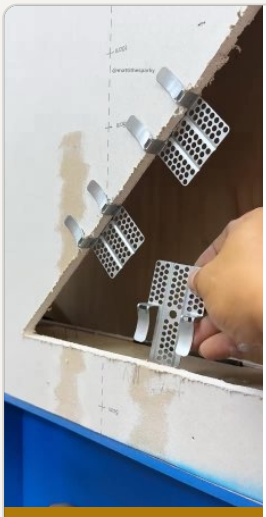

FIXES

Cracked driveways and paths let water in and look rough. A squeeze-in sealant fills and seals the crack.

> General store. Chemical shipping check.

WATCH THE AD

PRODUCT PAGE

MAYBE

SEAGCHE

STAINLESS PLASTERBOARD PATCH CLIPS

68 days running

FIXES

Patching a large plasterboard hole with nothing behind it to screw into.

> 54/100, only works as part of a repair bundle.

7 products

NOT YET CHECKED

DECIBULLZ

CUSTOM-MOULDED EARPLUGS

101 days running

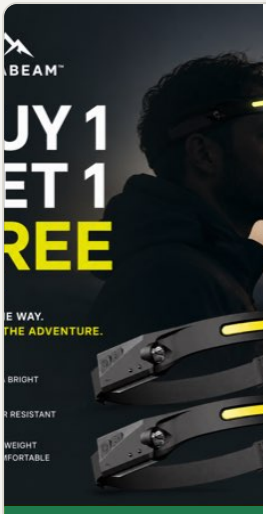

FIXES

Foam earplugs fall out and hurt after hours. These mould to your ear.

> Brand already sold in AU at about A$73–90.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

THE TACKLE KING

RECHARGEABLE WORK HEADLAMP

101 days running

FIXES

Working in roof spaces, under houses or in the dark with a torch in your mouth.

> Already advertising in the UK and Ireland too.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

NOXGEAR

WEARABLE BLUETOOTH SPEAKER FOR SITE

209 days running

FIXES

Earbuds aren't allowed on many sites. A wearable speaker lets you hear music and still hear the site.

> Ad has run 209 days. Check site safety rules in AU.

WATCH THE AD

PRODUCT PAGE

NOT YET CHECKED

CLC TRAINING

PITCH HOPPER ROOF TOOL

74 days running

FIXES

Working on a pitched roof is slow and risky when you can't get a stable footing. This gives a stable platform on the slope.

> Aimed at Christmas-light and roofing contractors. Ad has run 73 days. Check AU working-at-heights rules.

WATCH THE AD

PRODUCT PAGE

SKIP

ISOTUNES

BLUETOOTH HEARING-PROTECTION EARBUDS

138 days running

FIXES

Earmuffs block music and calls on site. These protect hearing and stream audio.

> Scored 54/100: Bunnings sells certified Bluetooth earbuds at A$60.77.

WATCH THE AD

PRODUCT PAGE

SKIP

HEAT WAVE VISUAL

STYLISH SAFETY GLASSES

40 days running

FIXES

Safety glasses look daggy, so blokes don't wear them.

> Scored 54/100: SafeStyle (an AU tradie brand) owns this. AU needs the AS/NZS 1337 standard.

WATCH THE AD

PRODUCT PAGE

SKIP

BOMBER EYEWEAR

FLOATING SAFETY SUNNIES

215 days running

FIXES

Same: safety glasses people actually want to wear.

> Same reasons as above.

WATCH THE AD

PRODUCT PAGE
