VELLAN

THE BODY CONTOUR SYSTEM

VELLAN

Four-in-one at-home body device

WARMTH · SUCTION · RED LIGHT · MICROCURRENT

FULL KIT

VELLAN

FULL KIT

Fifteen minutes a day, at home.

IN THE BOX

VELLAN device · 3 treatment heads (belly, arm, leg) · Conductive gel 100 ml · USB-C cable · Travel pouch · User guide

HOW TO USE

Charge fully. Apply a thin layer of gel. Choose your suction and microcurrent levels. Glide slowly over each area for 15 minutes, once a day.

CAUTION

Do not use during pregnancy, with a pacemaker or other implanted electronic device, or on broken or irritated skin. Read the user guide before first use.
